

M2: Homework

Please be sure to [read the syllabus](#) for information regarding homework and homework grading.

Submit your solutions to Gradescope (see Module 0 for instructions).

Below is a list of zyBook section and problem numbers. The problem numbers refer to the "Additional exercises" portion of the indicated section. Unless otherwise indicated, complete all parts of each specified problem.

Note that only (parts of) the problems marked with "*" will be graded however it is recommended that you complete as much of this homework assignment as possible. The exam may cover any of the material in these sections and is not limited to the material in the graded problems.

Section	Problems
2.1	1*, 2
2.2	1, 2*, 5*
2.3	1*, 2, 4*
2.4	4, 5
2.5	2*, 3, 5*
2.6	1, 2
2.7	1*, 2
2.8	1, 2*
2.9	1*, 5
2.10	1, 2
